

2016 LORO PIANA SUPERYACHT REGATTA
45m SAUDADE
TAKES TOP HONORS
DREAMS REALLY DO COME TRUE

Earlier this year Albert Buell said that his dream was to win the Loro Piana Superyacht Cup two years in a row.

Tripp Design is pleased to announce, and to congratulate, Albert Buell and the entire crew of the 45m SAUDADE for their big win at the Loro Piana Superyacht Regatta off the coast of Costa Smeralda Sardinia.

Winning this year's top award, the Silver Jubilee Cup, was particularly special for this experienced owner as they were the defending champions. In a strong field of competitors, with wind conditions ranging from 6 to 25 knots, SAUDADE thrived and Mr. Buell steered his boat wire to wire to an impressive Loro Piana win.

It is wonderful to see Mr. Buell and the crew make that dream come true!

SAUDADE passing through the fleet.
